Fall All Class Reunion- Mary Lou discussed the food and price range we needed to stay around. Mary Lou distributed a spreadsheet with 4 possible venues. The board discussed the best option for us, All agreed to go with Newark County Club. Some discussion at Deer Park Tavern, they were limited to the time frame. Newark Country Club will allow us to start at 6pm. Bitsy will also allow us to bring subs. In case we start running out of food. Gail- A few weeks before we move the venue someone needs to talk to Deer Park. The meantime were holding onto our reservation for the November all class reunion. Then when we raise the price, we can move it to \$15. Margie

will find out from Bitsy, about the contract and moving the venue for November 2015 at the Country Club. We will need to meet before the spring all class reunion. The board okay to move the time to 6 PM. Gail noted a few weeks before we move the venue, someone should contact Deer Park to thank them and assure them we'll continue to use Deer Park for annual Spring event.

Next meeting set for Monday, March 9th @ 7 pm at Gail Chickersky's home. The board thanked Gail for hosting the meeting in her home.

Meeting was adjourned at 9:00pm
